

STUDENT ORGANIZATION INFORMATION FORM

The information collected on this form will be used to update the Union & Involvement Services Student Organization Database and the Banner Roster system. This information will allow us to communicate with your organization and provide current information to other offices, departments, organizations, students, and the public. Incomplete forms delay the registration process and put your organization in bad standing. Please inform our office if you have concerns about the information you've provided on this form.

*indicates data that would be shared upon request of a student organization list
